**All Regional Directors, SSMCs  
and State Directors**

Dear Sir,

As all of you know that work relating to I.T. enablement of ESIC Directorate named as Project Panchdeep has been awarded to WIPRO in February, 2009. This Project Panchdeep includes the work relating to training of officers and staff of ESIC and of ESIC Scheme. For this Messer's Wipro is required to set up two training centres one in the Regional Office and another in the State Directorate. Each training centre should have a capacity of accommodating 20 to 25 persons. Space and other infrastructure such as furniture and figures will be provided by ESIC while I.T. related infrastructure will be provided by WIPRO. It is requested that whenever WIPRO people are coming to your region/State Directorate for survey purpose kindly include the requirement for the training hall. Besides this Messer's WIPRO is also required to set up video conferencing facility in each Regional Office, State Directorate and hospital. So for that, making the arrangement of video conferencing, arrangements may be made either in the conference hall or in the respective Director's chamber.

Yours faithfully,

**(S.K. GARG)  
DIRECTOR (SYSTEM)**
